Greetings

Apols for following up the two January news emails to all so soon, but this will be of interest to many and we would appreciate if it could be circulated to all female Scouts, aged 15 to 17, asap.

Please note the closing date of 11th Feb - tomorrow week - sorry to state the obvious, but that is what BCs are for - adding value (no comments required)!

Girls-2-Govt. Part of the Victorian Governments International Women's Day Celebrations

Hello

As part of International Women's Day, which is celebrated on the 8 March each year, the Victorian Government, through the Office of Women's Policy is hosting a special one day event for all Victorian girls aged 15-17 years. Girls to Govt. will be held on Friday 11 March and is a one day event where girls will experience first hand the workings of Government. The morning will be spent in a host Victorian Government Department learning about the work of the public service and the afternoon will be spent at Parliament House talking to Ministers and Members of Parliament, learning about the work of the political arm of government.

Girls-2-Govt is a great learning experience for young women. If you know any young women aged 15-17 who would gain enormously from the day i encourage you to have them apply.

Places are limited to 150 and applications close on 11 February 2005.
